

PATRICK *lives on...*

In 2015, Patricia Frontain, a Director & Script Supervisor from Chicago, lost her son to a senseless act of gun violence.

With help from the actors & crews from Chicago PD, Chicago Fire and Chicago Med, she turned her grief into a powerful non profit to help at-risk teens. PATRICK LIVES ON is a group of loving and determined citizens taking a stand in support of the safety of Junior High & High School students in the Chicagoland area with funding for afterschool programs.
